8 Music Camp

Music Camp is a community wide event that three different churches organize and put on in Bremen. Because it is such a huge event and ministers to over 500 children (and growing), they are always looking for volunteers to help teach classes, purchase snacks, or bring children to the event that might not otherwise have a way. Our club continues to step up in all these capacities each year to help with the success of the camp.

12 Mill Town Music Hall

Mill Town Music Hall is a concert and entertainment venue, located off I-20 in Bremen, Georgia. The venue is home to quality wholesome entertainment covering multiple genres, as well as events geared for young families. The facility can comfortably seat over 1,000 people and boasts a state-of-the-art audio-visual system. The venue hosts numerous Southern Gospel, Contemporary Christian, Bluegrass and Country concerts, along with other family-friendly events. In addition, the facility is rented for corporate events and private receptions.

Club members have volunteered numerous hours at Mill Town Music Hall in different capacities. Members worked many concerts and family-friendly events at the ticket counter selling tickets, worked at the sellable tables in the lobby, worked as ticket takers at the three entrances, served as ushers for seating and/or assistance, and worked wherever needed during events.

Our members are working hard with the owners of Mill Town Music Hall to accomplish the goals of this facility.

#45 Bremen Towne Festival

The **Bremen Towne Festival** is the GFWC Bremen Junior Woman's Club's largest fundraiser of the year. It is a huge event we bring to our community and requires all members' participation. This festival was our Club's 23rd Annual Festival, and it was estimated that approximately 5,000-6,000 people were in attendance. We had approximately 75 booths filled with a variety of food, crafts, games and activities for children, business promotions, and politicians. Each year our festival preparations begin in March when

booth applications are prepared and forwarded to all previous and newly-acquired vendors. While awaiting the return of the applications, preparations are in the works for the parade which kicks off the festival day. This year, our club members decided to have our Veteran spouses to serve as Grand Marshals for the parade. We chose our Veterans not only for their service to our country but the continued support and help with our club activities as well.

We formed committees to start arrangements for all details of the festival -- all-day entertainment on two stages, a children's game area, pet costume contest, and booth-set the morning of the festival. In the meantime, all members worked hard to sell ads for our Festival Program. To promote our festival, this Program was placed at local businesses for distribution two weeks before the festival, mailed to 5,600 residents in our county, and given to our vendors and attendees on festival day. Since our festival is held in downtown Bremen along the railroad tracks, one of our Public Issues committees prepared "Life Saver" candies with an attached note saying "Stop, Look & Listen -- Be Safe at Railroad Crossings." These were handed out to the public during the festival as each train passed. We sold raffle tickets for a \$500 Yeti cooler filled with Yeti Cups and accessories. This projects raised approximately \$1,500 which was donated to the Caring Christmas Fund for local families in need at Christmas. We also sold Cookbooks. This year our festival was a huge success and it continues to grow year after year. We earned \$4,560 on the booth rentals and \$5,485 on our ad program. Each year the money from this festival's booth rentals and program is held in our Club's general fund to disburse at the end of the year.
